The Late Sheikh Zayed bin Sultan Al Nahyan

His Highness Sheikh Mohamed bin Zayed Al Nahyan

President of the United Arab Emirates

H.H Sheikh Khaled bin Mohamed bin Zayed Al Nahyan

Crown Prince of Abu Dhabi and Chairman
of the Abu Dhabi Executive Council

His Highness Sheikh Hamdan bin Zayed Al Nahyan

The Ruler's Representative in Al Dhafra Region and
Chairman of the Emirates Falconers' Club

It is my pleasure to begin by expressing my heartfelt gratitude to His Highness Sheikh Mohamed bin Zayed Al Nahyan, President of the UAE, and to His Highness Sheikh Hamdan bin Zayed Al Nahyan, Ruler's Representative in Al Dhafra Region and Chairman of the Emirates Falconers' Club, for their unwavering support for falconry and our cherished heritage through the Abu Dhabi International Hunting and Equestrian Exhibition 2025.

Falconry has today become a global model of international cultural cooperation, thanks to the dedicated efforts of the United Arab Emirates. These efforts were crowned by the inclusion of falconry on UNESCO's Representative List of the Intangible Cultural Heritage of Humanity in 2010.

We proudly recall the historic moment in 1976 when Abu Dhabi hosted the first World Falconry Conference, bringing together falconers from around the world for the first time under the patronage of the late Sheikh Zayed bin Sultan Al Nahyan.

The Emirates Falconers' Club remains committed to preserving falconry as a shared human heritage, promoting sustainable hunting practices, supporting environmental research and projects, and raising awareness among younger generations. The Abu Dhabi International Hunting and Equestrian Exhibition serves as the region's largest platform in support of these goals. In its previous edition, under the guidance of His Highness Sheikh Hamdan bin Zayed Al Nahyan, Ruler's Representative in Al Dhafra Region and Chairman of the Emirates Falconers' Club, the exhibition saw the launch of the Abu Dhabi Falconry Exhibition Badge, underscoring the event's status as a global platform for heritage and sustainability.

This exhibition has become a landmark event on the global heritage calendar, marking the start of promising falconry seasons and providing a unique opportunity to foster intercultural dialogue, preserve our shared heritage, and raise awareness about the importance of protecting Emirati traditions and passing them on to future generations, all while emphasising the need to uphold sustainable hunting standards.

**His Excellency
Majid Ali Al Mansouri**
Secretary-General of the Emirates
Falconers' Club

Judges will evaluate stands based on their use of environment-friendly materials, their alignment with the theme “Embracing the Future and Honouring the Past,” and the creative concept and design. The display of products and the level of visitor attraction and engagement are also key criteria, along with how effectively the stand welcomes visitors, showcases products, and promotes services.

THE BEST AND MOST BEAUTIFUL FALCON PERCH

This category is for manufacturers of handmade falcon stands, evaluating the quality of materials used, functionality, comfort, and safety for falcons.
